NYSDEC
Green Infrastructure Standards Overview

NYSDEC—Division of Water staff will present an overview of the new Green Infrastructure Standards outlined in the 2010 Stormwater Design Manual.

Attendees should bring a calculator, an engineering scale, and the 2010 NYS Stormwater Design Manual. A copy of the design manual can be obtained at http://www.dec.ny.gov/chemical/29072.html.

The agenda will address compliance issues such as:

- Updates to Design Manual
- 5 Step Planning Process
- Going Green with NYS Stormwater Design Standards
- Examples - Questions & Answers
