

**Green Innovation Grant Program (GIGP) No. 62**  
**DWSRF Project No. D0-17970**  
**Village of Wurtsboro**  
**Project Name: Wurtsboro, Village of, Water Distribution and Metering**  
**Improvements**

**DEC Region: 3 County: Sullivan**

---

**Type of Financing:** American Recovery and Reinvestment Act (ARRA) Green Innovation Grant Program

**Estimated Total Project Cost:** \$585,524.00

**Recommended GIGP Award Amount:** \$201,438.00

**Local Share:** \$22,382.00

**Other Funding Sources:** \$361,704.00

---

**Project Category:** Drinking Water SRF. Water Meter.

**Project Description:**

This project involves the purchase and installation of water meters for 589 existing services in the system. To promote water conservation, customers will be billed based on their metered water consumption.

**Project Summary:**

The installation of water meters will provide an accurate accounting of water usage, help to locate potential leaks and encourage water conservation. The project will potentially save over 16.6 million gallons of water per year.

This project is categorically eligible for GIGP financing per the United States Environmental Protection Agency's (EPA's) "Guidance for Award of Recovery Act Funding to State Revolving Funds" (page 48):

1. Water Efficiency. Categorically eligible projects include IV.a. "Installation of Water Meters."

**Funding Summary:**

The 10% match in the amount of \$22,382.00 is being provided by the Water Fund and proceeds from a \$1.5 Million long term loan from USDA ARRA funds at 2.75% for other water system improvements, and from which \$361,704 in additional match is being provided.

**SEQR Findings:**

The Corporation has determined the proposed action will finance a project which constitutes "extension of water distribution facilities in approved subdivisions" which is a "Type II" action under SEQR, pursuant to 6 NYCRR Section 617.5(c)(11).

**Construction Schedule:**
